## Get Your Fish On (Series 1)

13 x 30'

### EPISODIC BREAKDOWN

#### 1. Coro Kingi Challenge

This week on Get Your Fish On, its men v women in an epic challenge as Mandy heads to the Coromandel to target the legendary kingfish, a fish that always brings the fight.

#### 2. Fishin' the Banks

Ranfurly Banks is a place where fishing dreams come true, can Mandy and her fellow female fishers beat the local men and win the deep-water challenge?

#### 3. Leigh – Longest Snapper

Mandy takes on some old mates as she heads out to Little Barrier Island to see who can catch the longest snapper.

#### 4. Kerikeri Kai Challenge

The two teams are in separate boats in a challenge that tests their fishing and culinary skills to the limit, they not only have to collect the seafood but also cook it.

#### 5. Coro Chowder Chowdown

We're in the Coromandel – can Mandy and her fellow female fishers collect the perfect ingredients for a seafood chowder and beat the men's team?

#### 6. Captain's Call

Heading out from Sandspit wharf Mandy and her fellow fishers face a Mystery challenge. All we can say is that there are snapper and kingfish involved.

#### 7. Tutukaka Snapper Showdown

Mandy and her fellow fishers head out from Tutukaka: first team to bring on board 20lb worth of snapper takes the glory.

### **8. Whangarei Five Species Challenge**

Mandy and her merry band of fishers face off in a challenge that takes them from the coast of Ruakaka to the Mokohinau Islands in search of fish. First team to catch five different species wins.

### **9. Waihou Bay – Marlin Madness**

Mandy and her fellow fishers head out on a tuna challenge but get more than they bargained for when a striped marlin decides to crash the party!

### **10. Kahawai**

Heading off from Sandspit, Mandy and her fellow fishers have to make their own lures and catch three kahawai. Who'll win, men or women?

### **11. Great Barrier Overnighter**

Snapper on day one, Kingfish on day two, the competition's fierce as the girls take on rugby legend Glen Osborne and his mate Peeni Henare.

### **12. Mussel Barge**

This week the teams head out on a mussel barge catch fish with kids rods, Huckleberry Finn rods and a traditional bone hook – or attempting to anyway – the team that catches the longest fish using each method wins.

### **13. Wavedancer**

This week Mandy and co. head out on the Hauraki Gulf where our fishers measure the five biggest tamure they catch end to end – longest combined total
