Cheetah Diaries, The (Series 4)

10 x 30'

EPISODIC BREAKDOWN

1. Raising Hope

Emily's future ambassador cubs are put to the test to see if they can handle the responsibility of working with the public. We learn more about how people are using dogs to protect their farm stock without hurting the cheetah population. The Cheetah Outreach Center prepares to move to a bigger, better location.

2. Moving On Up

There is some big-move drama as the race against time begins. The team has so much to do and not a lot of time to do it. The cubs are moving out to meet some older cheetahs, and Chobi goes in for some dental work.

3. Parks and Recreation

The boys head off to the Australia Zoo. The cervals get some tough love, Chobi recovers from surgery, and the center anxiously awaits a permit to continue with construction.

4. Tailspin

Vaila and Waiy participate in a cheetah walk with the public. Emily gets a boost from a visit with an old friend. Chobi might be falling ill yet again.

5. Full House

The cubs get their first taste of meat and after a shocking discovery, one of the cubs is rushed to the vet. To make matters worse, the construction of the new center might be plagued by even more delays.

6. Neighbours

Ambassador Joseph is running late to an important meet and greet. The foxes and the meerkats are getting wild. Then, tragedy strikes the cervals along with a mounting tension along the fence lines of the center.

7. Crazy Like a Fox

While one cheetah recovers from dental surgery, another loses her appetite. Annie visits an old guard dog. One of the foxes is in for happy news. The meerkats get a new home makeover, and Joseph has another spectacular appearance planned.

8. Married With Children

While one cheetah recovers from dental surgery, another loses her appetite. Annie visits an old guard dog. One of the foxes is in for happy news. The meerkats get a new home makeover, and Joseph has another spectacular appearance planned.

9. Cheers

Emily makes a brand new friend. Joseph continues to teach the public about cheetahs while Chobi continues to baffle the staff and doctors with medical problems.

10. The Wonder Years

It's finally moving day for some of the cubs! Mercedes spends a rainy romantic evening with her new boyfriend. Janet finally has her pups before mother nature deals Cheetah Outreach a heavy blow.
