EPISODIC BREAKDOWN

1. The Inner Workings

Join us as we delve into the inner workings of the Two Oceans Aquarium and meet the team who keep the machine running! Learn how they cater for hundreds of different dietary requirements, how they keep up with the demand of life-giving water and meet the new arrivals to the aquarium; from the six-legged spider crabs of Japan, to the tiny turtles in need of rehabilitation. We'll move behind the glass to reveal the secrets of Africa's premier Aquarium!

2. Weird and Wonderful

This episode will introduce you to some of the Aquariums most weird and wonderful inhabitants. From upside-down Jellyfish to male Seahorses giving birth, these wacky residents make up the enchanting world that keeps guests coming to through the Aquarium doors! But other pressing issues keep the staff busy, from keeping the peace between man and seal, to preparing a new gigantic predator tank, there's not a minute to rest in the life of an Aquarist!

3. Penguin Posse

Come and meet one of the most popular attractions of the Two Oceans Aquarium: the party of penguins! Join the adorable Rockhopper Penguins on their last swim in the famous Kelp Tank exhibit, and learn how an African Penguin can fall in love with a human... These feathered fellows are bundles of fun and plenty of trouble! All the while, one of the Aquariums oldest residents is looking a bit green around the gills... Never a dull moment at the Two Oceans Aquarium!

4. Turtle Tales

Ever wondered how to look after dozens of tiny turtles? This episode of An Aquatic Life will show you just that! Meet the turtle team and their amazing ambassadors, Bob, Sandy and the monstrous loggerhead, Yoshi! The collections team is running at half capacity while most of the team members collect Ragged-Toothed Sharks in East London for the upcoming predator exhibit... But with a colossal storm en route to the city of Cape Town, will it all be ready for their arrival?

5. Return of the Sharks

In the aftermath of Cape Town's biggest storm in 2 decades, there's a whole lot of work to be done at the Two Oceans Aquarium! The pressure builds as nine Ragged-Toothed Sharks are on their way from East London for their introduction to the new, highly anticipated predator exhibit. Join the team in one last push to complete the giant tank in time for its incoming residents and see the experience the culmination of a year of hard work coming together, at the Two Oceans Aquarium!
