## Aerial America: Specials

3 x 60'

EPISODIC BREAKDOWN

### 1. Boston 24

No city has played a bigger role in America's independence than Boston. Famous for its rowdy revolutionaries, America's oldest battleship, its busy harbor, and the nation's first subway system, Boston is a city of firsts and continues to shine as America's cradle of liberty. Fly over this city and see New England's largest metropolis like never before, in Aerial America: Boston 24!

### 2. Dallas 24

Under the wide open skies of North Texas, lie two very different cities. Dallas, modern and innovative, has always thrived on the promise of the future. Fort Worth, originally just a U.S. Army outpost, was built to protect settlers on the edge of America's wild western frontier. Discover these two very different Texas cities with their own unique histories, but a shared sense of destiny, and explore the fourth largest metroplex in the nation, in stunning 4K from above, in Aerial America: Dallas-Fort Worth 24.

### 3. Great Cities

Journey across some of America's most fascinating cities, discover the stories behind their awe inspiring towers, explore the systems that keep these metropolis centers running day and night, and find out how the people of these cities have responded to tragedy and become stronger than ever before. It's an aerial journey over American cities from sea to shining sea, all shot in amazing 4K, in Aerial America: Great Cities!
