

Focused (Series 3)

7 X 30 MINUTES

EPISODIC BREAKDOWN

1. Stranded in Stranda

On an exclusive permit to Norway, Rory Bushfield, Eric Hjørleifson, and Ingrid Backstrom explore the skiing on offer. After a long waiting game the Matchstick film crew shot amazing skiing as they explored one of the most beautiful cities of Norway.

2. Northern Escapes

Mark Abma and Rory Bushfield helicopter ski and explore a new zone on the coast of northern British Columbia. Some of the most amazing skiing ever caught on film goes down as the skiers encounter epic conditions.

3. The Perfect Season

Follow the Matchstick film crew and the best skiers in the world as they build their ski segments during an epic winter in Whistler BC. With snowmobiles, helicopters, or chairlifts, the pros redefine what's possible on skis.

4. Touching the Far East

Four of the biggest names in free skiing: Mike Douglas, Mark Abma, Simon Dumont and Sammy Carlson travel to Japan, during the epic winter of 2006. They discover amazing skiing and a fun unique culture.

5. West Meets East Mountain Bike Cappadocia

From the mosques of Istanbul to the caves of Cappadocia, mountain biking in Turkey is an incredible experience. World class mountain bikers, Cam McCall, Aaron Chase, and Darren Berrecloth shred a region of Turkey known for its natural rock caves and formations.

6. Both Sides of Doi Inthanon

In this episode, the Matchstick crew explores the beautiful and mystical country of Thailand. Kayakers Steve Fisher, and Ben Brown team up with Eric Southwick to paddle Northern Thailand's uncharted white-water.

7. Mountain Bike Ilhabela, Brazil

Always in search of the best riding in the world, our crew from the Kona freeride team travels south to the exotic islands of Ilhabela, Brazil. The Matchstick film crew shot at sunrise and sunset and captured some amazing imagery.
